

Help us get Canada's
wheels spinning at

WE NEED YOU ON OUR MITO TEAM

Join us as a National MitoSpin Sponsor

on **February 26, 2022** for our incredible, virtual, **coast-to-coast MitoSpin**.

MitoCanada believes that a group of committed people working together creates unstoppable energy. Energy is essential to our survival. Mitochondria, present in almost every cell in our bodies, generate the energy we need to live.

For eleven years, MitoCanada has worked tirelessly to protect and enhance the lives of Canadians. We do this through programs, community support, awareness, advocacy, and research. Our work has never been more important than it is today.

On February 26th, we aim to bring together 500+ like-minded people for a massive virtual MitoSpin to unite our energy and fuel MitoCanada. We're asking riders from across this great, big, beautiful country to bring their energy, heart and sweat.

And, we promise to deliver an inspirational experience to help us get closer to our ultimate goal of ensuring all lives are powered by healthy mitochondria.

Please help us fund MitoCanada's essential work by joining us as a sponsor. Opportunities are outlined on the following pages.
