Sponsorship Opportunities

For over a decade, Canadians have been spinning to raise awareness and funds for MitoCanada! In 2025, this inspiring tradition continues with Spin 4 Mito events happening nationwide, driven by passionate MitoCanada supporters in Victoria, Calgary, Winnipeg and Zwifting online.

Join us as a **Spin 4 Mito Sponsor** and help us create a world where all lives are powered by healthy mitochondria.

Funds raised at Spin 4 Mito events directly support efforts to raise awareness about mitochondrial health and disease, fund critical patient education and support programs, and advance transformational research. Your support is vital to MitoCanada’s essential work. Together, we’re building a future where Canadians impacted by mitochondrial disease feel empowered, inspired and supported to live their best lives.
